Extreme Motorcycles

Here is a great opportunity to own and run your own successful and profitable business for the mechanically minded. For over 10 years, the current owners have been tirelessly helping their constantly growing customer base with motorcycle, quad bike, side by side, multi terrain and mower sales and repairs, but now wish to move on to another project. The business proudly holds dealerships for great brands including Polaris, Toro, Husqvarna, Shindaiwa, and are currently negotiating a new dealership with a major motorcycle brand. Extreme Motorcycles has an extensive range of apparel including pants, jackets, helmets and gloves for on and off road as well as a huge range of spare parts and tires for on and off road bikes, buggies and mowers. Included in the stock is a Toyota Hilux ute and trailer for recovery and delivery of vehicles. The business currently supports three full time staff members who are well trained and reliable. The extensive workshop with hoists, parts washer, compressor, tire machine and lathe is well equipped to handle most repair jobs. The current owners of Extreme Motorcycles also own the land and building, and will be happy to lease the premises on a long term basis to the purchaser of the business at a reasonable market rate. The roof of the building has new sheeting, and the shade cloth over the entry was recently replaced.
